Dear Friends,

On behalf of the Consulate General of Israel it is with the greatest pleasure that I convey my best wishes to the Canada-Israel Chamber of Commerce and its members.

The State of Israel attaches great importance to the work of the Chamber in fostering and strengthening the commercial, economic and investment ties between Canada and Israel.

Israel and Canada enjoy strong economic ties but there is also huge untapped potential for collaboration and mutual benefit between us. The Chamber plays a key role in tapping into that potential. Through its array of events and activities raising awareness and introducing businesses on both sides to the many opportunities for partnership and growth, the Chamber is making a meaningful contribution to our respective economies and to the strength and vitality of the bilateral relationship.

We look forward to continuing our fruitful collaboration with the Chamber and wish its officers and members every success in your important endeavours.

Yours sincerely,
